

# User manual for MedVoyage WebApp

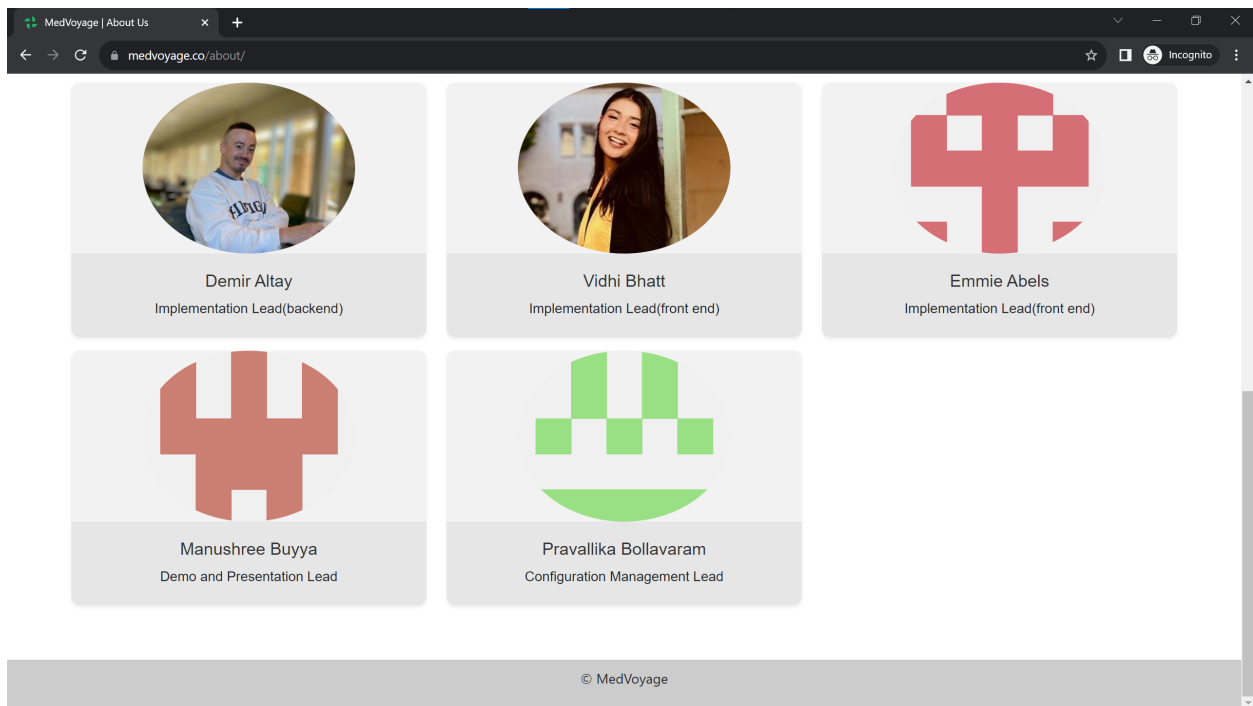

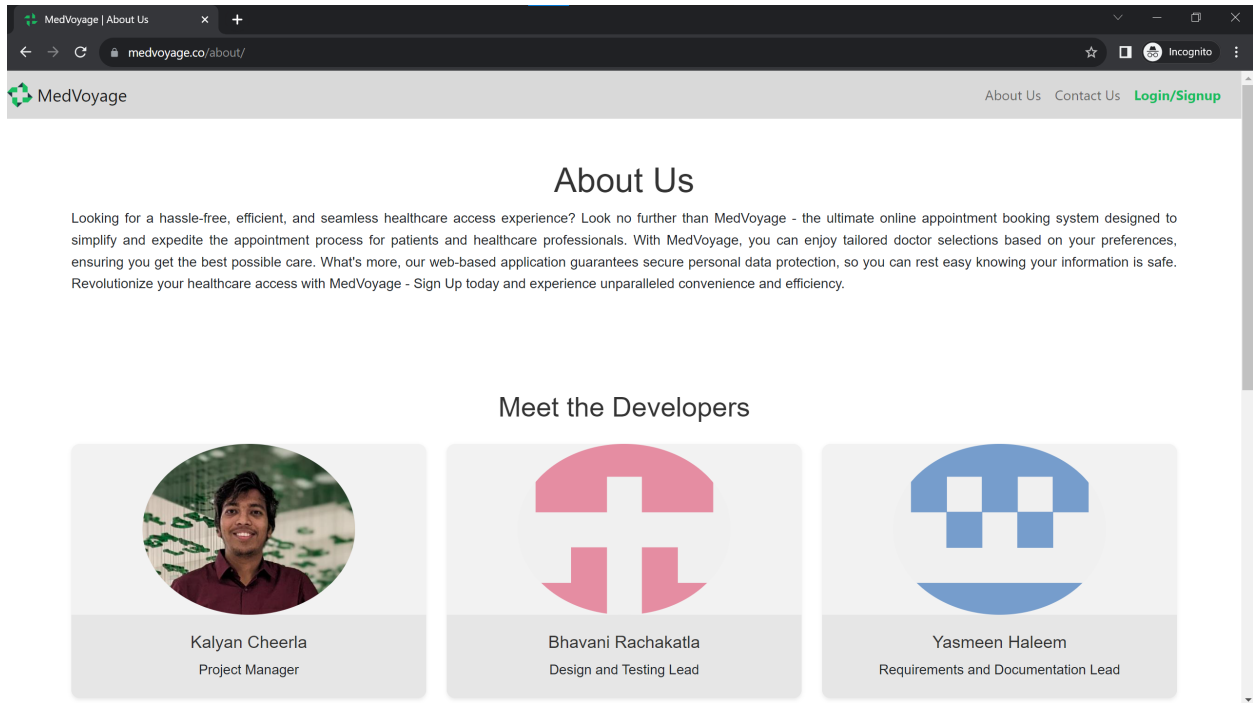

## Home:

By visiting the <https://medvoyage.co> or <https://www.medvoyage.co> or simply [medvoyage.co](https://medvoyage.co) we can view the below home page of our website.

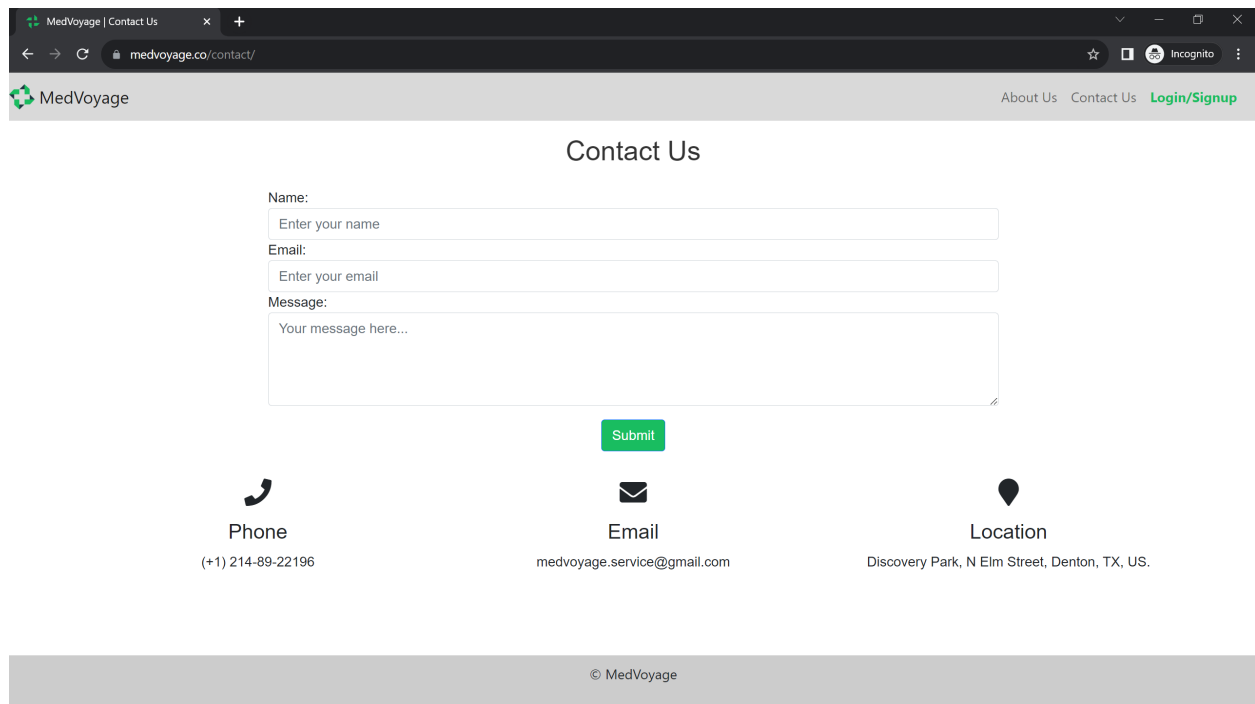

## About Us:

Navigating to the About Us on the website provides users with information regarding the team that was involved in developing the website.

## Contact Us:

Navigating to Contact Us on the navigation bar provides the users with the contact information of the team at the bottom of the page and fields to drop a custom email to the team at [medvoyage.service@gmail.com](mailto:medvoyage.service@gmail.com).

The screenshot shows a web browser window with the address bar displaying "medvoyage.co/contact/". The page header includes the MedVoyage logo and navigation links: "About Us", "Contact Us", and "Login/Signup". The main heading is "Contact Us". Below it is a form with three input fields: "Name:" (placeholder: "Enter your name"), "Email:" (placeholder: "Enter your email"), and "Message:" (placeholder: "Your message here..."). A green "Submit" button is positioned below the form. At the bottom of the page, there are three contact options: "Phone" with a phone icon and the number "(+1) 214-89-22196", "Email" with an envelope icon and the address "medvoyage.service@gmail.com", and "Location" with a location pin icon and the address "Discovery Park, N Elm Street, Denton, TX, US.". The footer contains the copyright notice "© MedVoyage".

## Contact Us with fields filled for the Email:

Users can drop an email to the team like below by filling their details in the appropriate fields like below and, we can see an auto email that was triggered by the team that they were looking into it. In this way users can easily drop immediate feedback to the MedVoyage team.

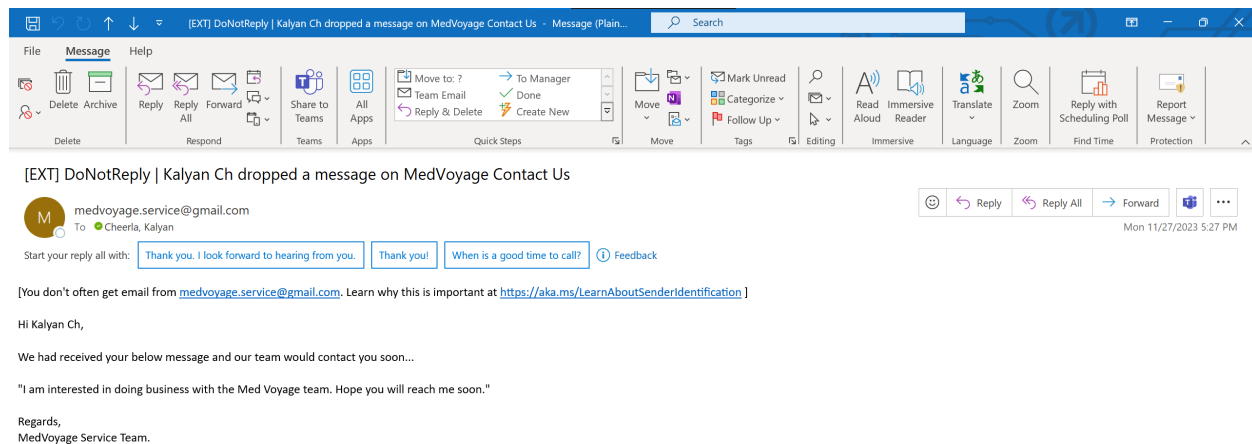

The screenshot shows a web browser window with the URL [medvoyage.co/contact/](https://medvoyage.co/contact/). The page title is "Contact Us". The form contains the following fields:

- Name: Kalyan Ch
- Email: KalyanCheerla@my.unt.edu
- Message: I am interested in doing business with the Med Voyage team. Hope you will reach me soon.

A green "Submit" button is located below the message field. Below the form, there are three contact options:

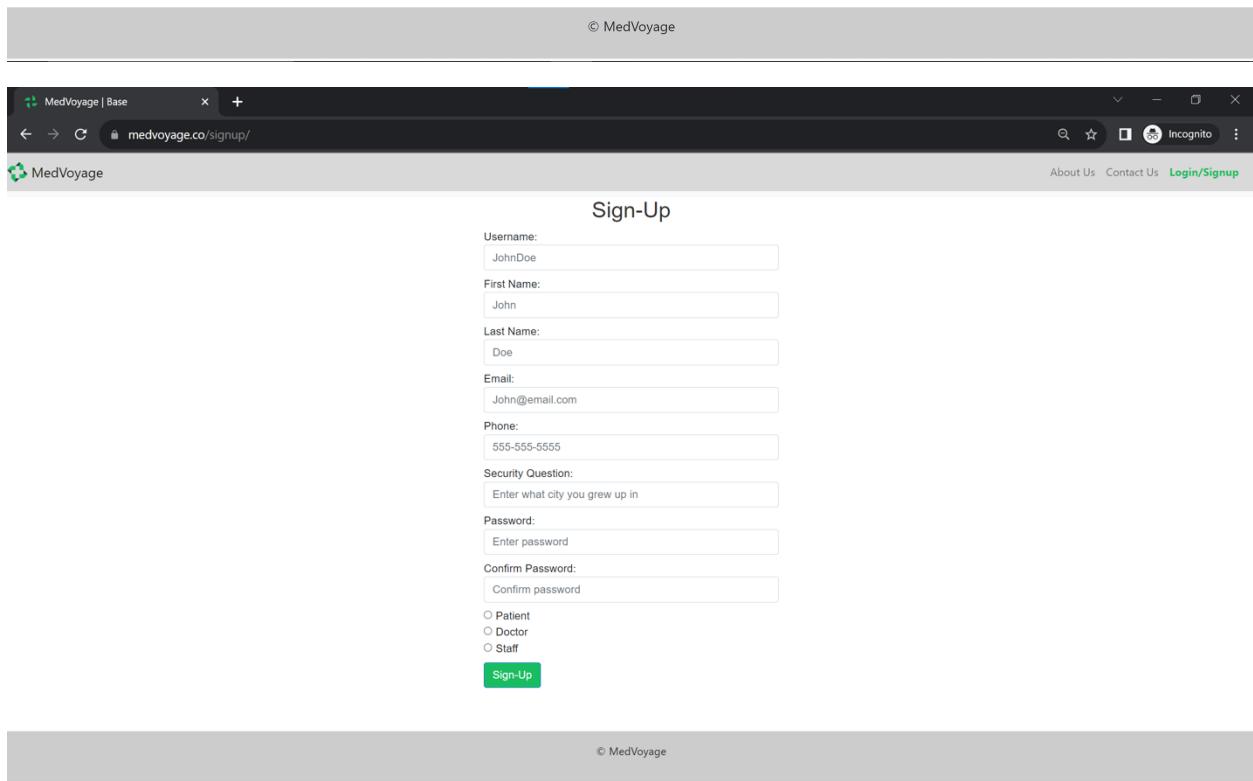

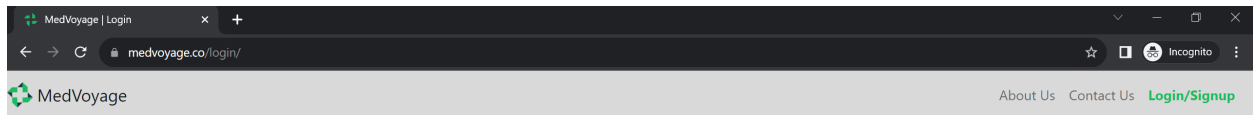

- Phone: (+1) 214-89-22196
- Email: medvoyage.service@gmail.com
- Location: Discovery Park, N Elm Street, Denton, TX, US.

The footer of the page reads "© MedVoyage".

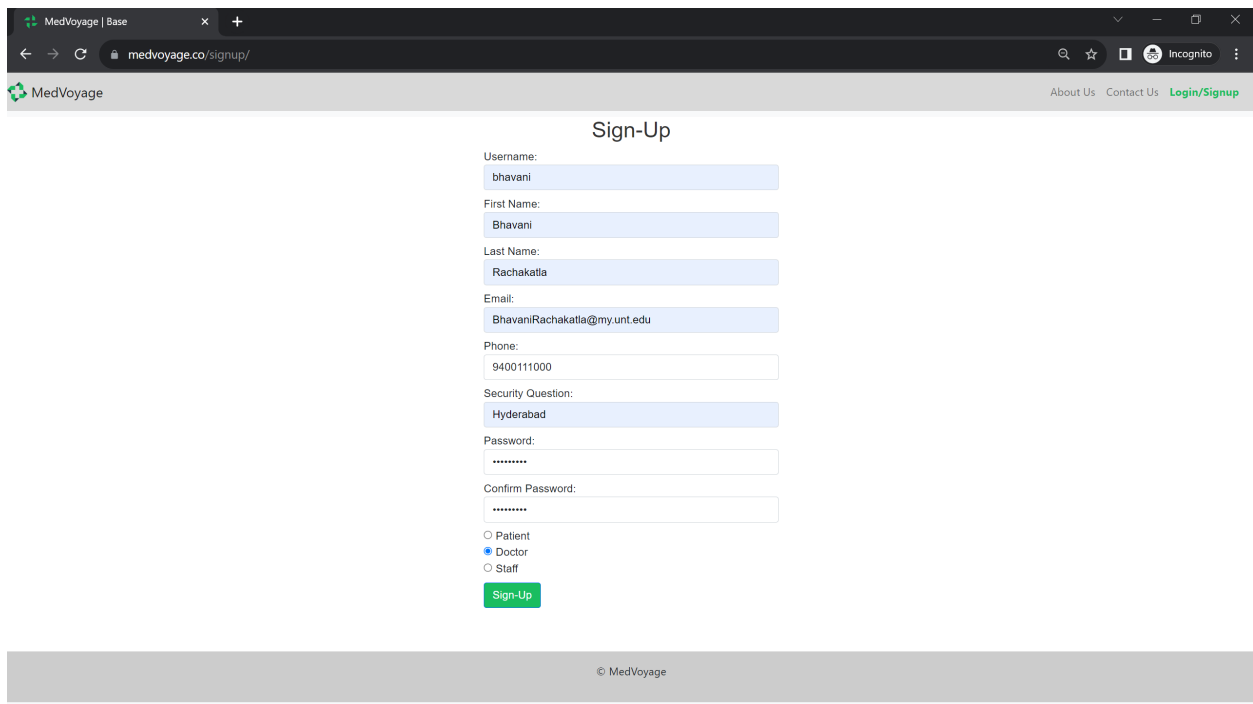

## Login Page & Sign-Up page:

By clicking on the Login/Signup buttons on the navigation bar one can visit the Login page where they can login. As first-time users don't have credentials created on our website, they can visit the signup page by clicking on the Sign Up here link below the Login Button.

## Sign Up page with fields filled:

Below, we can observe how one can sign up as doctor in the MedVoyage website by merely selecting the end option before the Sign-Up button as doctor and filling all the details below as appropriate. Even patients use the same Sign-Up page and select the option as patient at the end.

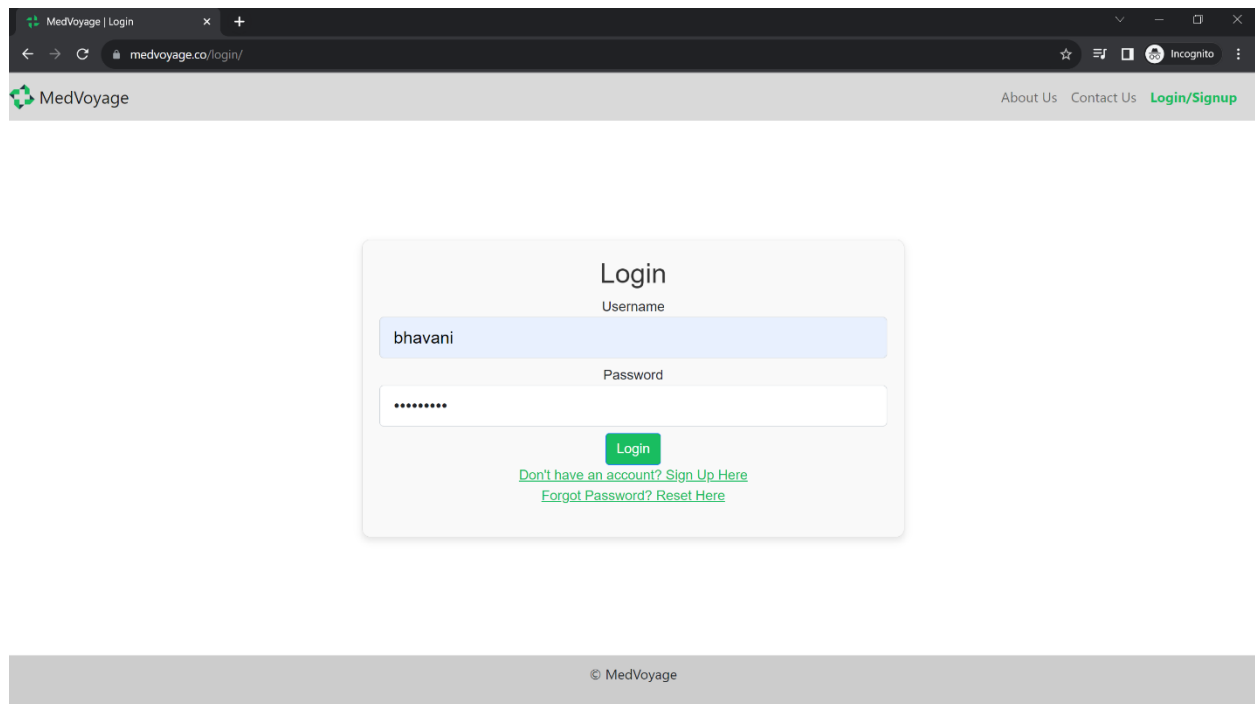

The screenshot shows a web browser window with the URL `medvoyage.co/signup/`. The page title is "Sign-Up". The form contains the following fields and values:

- Username: `bhavani`
- First Name: `Bhavani`
- Last Name: `Rachakatla`
- Email: `BhavaniRachakatla@my.unt.edu`
- Phone: `9400111000`
- Security Question: `Hyderabad`
- Password: `*****`
- Confirm Password: `*****`
- Role selection: ☒ Patient, ☒ Doctor, ☐ Staff

A green "Sign-Up" button is located at the bottom of the form. The footer of the page displays "© MedVoyage".

Once the sign-up was successful users will be redirected to the Home page, else errors will be displayed near the fields that need to be changed.

By using the created username and password in the sign-up, one can login into their user profile.

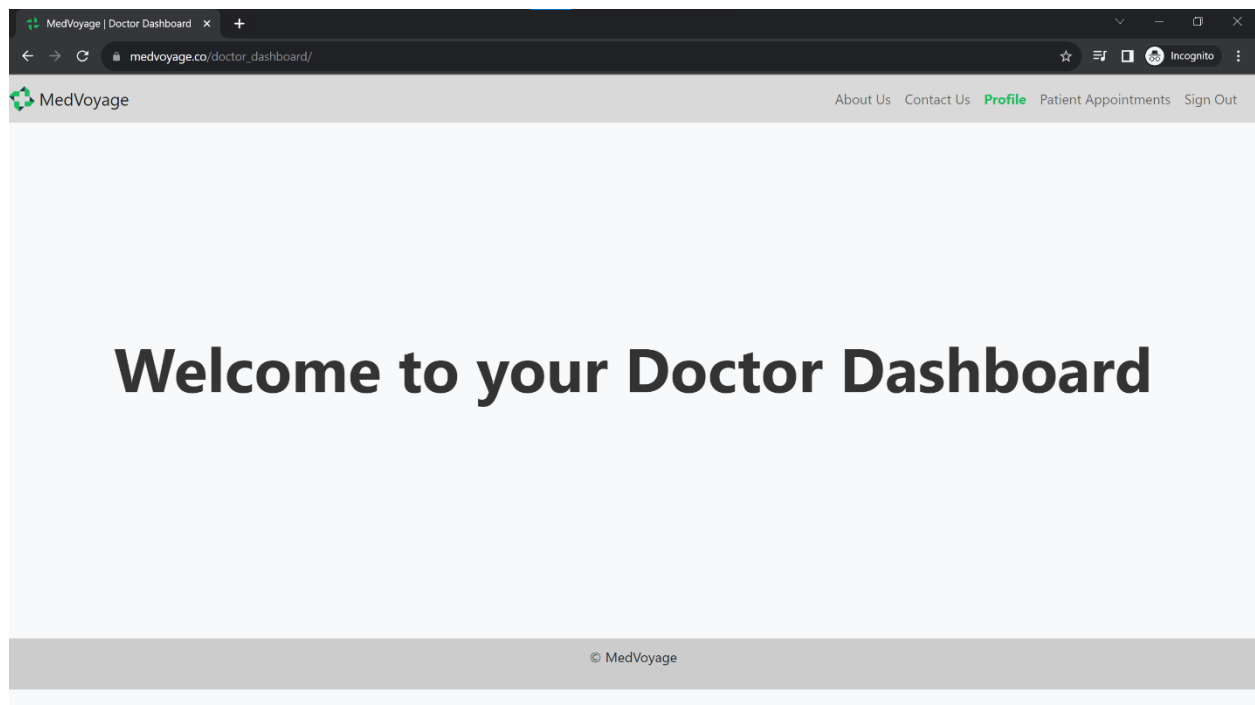

The screenshot shows a web browser window with the address bar displaying "medvoyage.co/login/". The page header includes the MedVoyage logo and navigation links: "About Us", "Contact Us", and "Login/Signup". The main content area features a "Login" form with the following elements:

- Username:** A text input field containing the value "bhavani".
- Password:** A text input field with masked characters "\*\*\*\*\*".
- Login Button:** A green button labeled "Login".
- Links:** Two links below the button: "[Don't have an account? Sign Up Here](#)" and "[Forgot Password? Reset Here](#)".

The footer of the page displays "© MedVoyage".

Here as the user is Doctor, his doctor dashboard page will be displayed below.

The screenshot shows a web browser window with the address bar displaying "medvoyage.co/doctor\_dashboard/". The page header includes the MedVoyage logo and navigation links: "About Us", "Contact Us", "Profile", "Patient Appointments", and "Sign Out". The main content area features a large heading:

# Welcome to your Doctor Dashboard

The footer of the page displays "© MedVoyage".

## Doctor profile page:

This is the doctor profile page that will display the name, phone number and email address of the doctor and consists of the edit button to edit the profile, add and view the appointment slots. We can sign out and return to the home page directly by choosing the sign out button on the top right corner of the page.

The screenshot shows the 'Your Information' page on the MedVoyage website. The header includes the MedVoyage logo and navigation links: About Us, Contact Us, Profile (highlighted in green), Patient Appointments, Sign Out, and Help. The main content area is titled 'Your Information' and contains three buttons: 'Edit', 'Add Slots', and 'View Slots'. Below these buttons are input fields for Username, First Name, Last Name, Phone Number, and Email, each with a corresponding label. The Username field contains 'manu', First Name contains 'manu', Last Name contains 'b', Phone Number contains '44444444', and Email contains 'manu@gmail.com'. The footer of the page displays '© MedVoyage'.

## Doctor profile update form:

When the user clicks on the edit button, they will be directed to the update doctor information form where the fields with their information can be edited and can be updated using the update button. The changes will reflect immediately in the profile page of the doctor.

The screenshot shows the 'Update Doctor Information' form on the MedVoyage website. The header is identical to the previous page, with the MedVoyage logo and navigation links. The main content area is titled 'Update Doctor Information' and contains input fields for First Name, Last Name, Phone Number, and Email, each with a corresponding label. The First Name field contains 'manu', Last Name contains 'b', Phone Number contains '55555555', and Email contains 'manu@gmail.com'. Below the Email field is a blue 'Update' button. The footer of the page displays '© MedVoyage'.

## Add Slots page:

When the user clicks on the add slots button, they will be directed to add slots page where they will be able to add a time slot provided the date, start time, and end time of the appointment.

## Patient Dashboard:

Here as the user is Patient, his patient dashboard page will be displayed below.

## Patient Profile page:

This is the patient profile page that will display the name, phone number and email address of the patient and consists of the edit button to edit the profile. We can sign out and return to the home page directly by choosing the sign out button on the top right corner of the page.

## Patient update form:

When the user clicks on the edit button, they will be directed to the update patient information form where the fields with their information can be edited and can be updated using the update button. The changes will reflect immediately in the profile page of the patient.

The screenshot shows a web browser window with the URL `medvoyage.co/client_update/`. The page title is "Update User Information". The form contains the following fields:

- First Name: Taylor
- Last Name: Swift
- Phone Number: 1234567899
- Email: taylorswift@example.com

Below the fields is a blue "Update" button. The footer of the page displays "© MedVoyage".

## Book Appointment:

The patient user will be able to select a date, the doctor they want to consult and a time slot from the available slots for that selected doctor. After choosing them, as they click on Book Appointment, an appointment will be booked.

The screenshot shows a web browser window with the URL `medvoyage.co/book-appointment/`. The page title is "Book an Appointment". The form contains the following fields:

- Appointment date: 11/29/2023
- Doctor: Dr. Ryan Reynolds
- Time slot: 09:00:00 - 10:00:00

Below the time slot is a text area for "Details:" containing the text "Headache and fever since 3 days." At the bottom of the form is a "Book Appointment" button. The footer of the page displays "© MedVoyage".

## Patient Appointments list:

When the user clicks on the patient appointments in the navbar they will be redirected to this page and can view all their appointments. Once the Patient Appointments button is clicked, the patient can view their past and upcoming appointments to stay on track of their medical visits.
